The Top of the Lake Communities Association's (TOLCA) Mission is to make our communities better places to live, work, and recreate. We believe that by thoughtfully promoting the area as a destination to visit, by sponsoring community wide events, and by supporting other civic nonprofit organizations, we will be able to improve the quality of life for the residents and the businesses of western Mackinac County.

We are a membership-based organization open to both businesses and individuals. We are a not-for-profit volunteer organization that encourages business development, fosters hospitality between residents and visitors, and takes an active interest in the civic, social, and moral welfare of our communities.

Our Annual Membership Year is January – December.
